Why Do We Use Ashes on Ash Wednesday?

Ashes are placed on our foreheads on Ash Wednesday for two reasons: a personal act of remembrance and as a sign or a witness for others.

On this first day of Lent, we begin a journey of renewal - from death to life. We are reminded that we are creatures and that our lives were given to us. But, we are also reminded that our lasting home is in eternity, with God. This is not our lasting home.

We are reminded that our call is to turn away from sin and to believe the Good News of our salvation in Jesus. This is a joyful reminder. It challenges us, for sure, but reminds us of why we want to turn from sin.

Finally, we wear our ashes as a sign. It is not a boastful sign through which I say, "Look at me and see how holy I am." No, it is much more like, "I'm willing to wear this sign in the world and say that I've been reminded of where I come from and where I am going. And, I've heard the call to turn away from a life of sin and to give my life to living the Gospel of Jesus."

Yet even now, says the LORD, return to me with your whole heart, with fasting, and weeping, and mourning; Rend your hearts, not your garments, and return to the LORD, your God. For gracious and merciful is he, slow to anger, rich in kindness, and relenting in punishment. - Joel 2:12-13

Discipleship Pathway

-Stages of Growth

Think of the Discipleship journey as being like the human experience. There are markers that begin to show that we have moved from pregnancy (via birth)

to infancy (when we are dependent on others for everything)

to childhood (where we begin to care for some of our own needs with guidance and assistance)

to adolescence (where we become much more independent and able to care for our own needs)

to adulthood (where we begin to help care for others more regularly).

Our faith journey likewise has stages of growth from searching (before one even walks in the door of the church)

to Exploring (When one is “kicking the tires” of this thing called church, Jesus, and Christianity)

to Beginning (When one is beginning to enter a life of seeking to follow Jesus)

to Growing (Where one is committed to expanding their relationship as a disciple)

to Maturing (Where now one is fully committed to the life of discipleship including leading others through the discipleship journey).

Dimensions of Discipleship

One way to look at our life as a disciple is to look at six dimensions of discipleship:

A Life of Worship

A Life of Hospitality

A Life Opening to Jesus

A Life Obeying Jesus

A Life of Service

A Life of Generosity

There are markers that identify what stage of growth (exploring, beginning, growing, maturing) a disciple may be on each of these six dimensions of discipleship. Most of us are not at the same point of maturity in all six because our human tendency will be to concentrate on the things we like or only the things others may introduce us to. It is entirely possible to be mature in a couple, while be growing or beginning on the other four.

Real Discipleship Survey

One tool that you can use to get a sense of what stage of growth you may be on for each of the six dimensions. The survey can be taken as often as you want, although I recommend about once a year. Each time you take the survey, it will produce a report with suggested studies and activities that will help you move to the next stage of growth in each dimension.

The survey consists of four statements contained in each of their own colored blocks for each dimension. For each of the six colors (one color for each dimension), choose the statement that best describes where you believe you are in your journey.

Links and further instructions for the *Real Discipleship Survey* can be found on our website.

Anytime, if you want to reflect on your journey or figure out what's next for you, let's talk!

Welcome to the *Discipleship Pathway*!

24 hour Prayer Vigil
Good Friday @8:00 pm—Saturday@8:00 pm**

"Put it in God's Hands"

We are beginning to plan our 24 Hour Prayer Vigil. Would you like to plan a table? Table hosts in the past have agreed that they really enjoyed gathering physical items, reflective questions, Bible verses, songs, smells, photographs, and so much more to put at their table. We only meet once to break up the jobs and then it's on your own work time leading up to the Prayer Vigil. If your heart is moved in this way, please let Elizabeth Deal or the church office know by March 1st. Shortly after we will host the planning meeting.

CHRISTIAN EDUCATION

Linda Miller

January is always a busy mixed bag for me in my role as church secretary. It's a month when various reports and statistics are gathered. As I look over the various statistics from our Christian Education Programs I am pleased to report that we are growing! There were however, some surprises I found along the way.

Sunday School continues to grow but I was surprised to find that we have twice as many adults participating in Sunday School as we do children and youth. My prayer is that parents will

plug into a Sunday School class along with their children, recognizing the importance and setting the example of growing in your faith and in your love for Jesus. One of our two adult Sunday School classes follows the same curriculum as the children and youth which means you can have conversations at home about what you learned. What a wonderful family practice! And...the Sunday School Curriculum builds on the lesson for the younger children attending Children's Church! BONUS!!

Monday nights are a family night at Unionville! An ever growing Kids' Club under the direction of Miss Tiffani is rocking it with Extreme Sports Curriculum. The kids are having a blast! The Youth Group is competing with sports for the youth attention and struggling a bit with a fluctuating attendance, but Miss Wendy & Miss Tonya continue to press on with fun-filled Escape Room lessons! You don't want to miss out, if your free on a Monday night, Unionville is the place to be!

Alongside the children and youth programs is a "Conversation with Pastor Alan" gathering where the parents can talk about whatever is on their minds while waiting on the kiddos! Stop in, grab a cup of coffee, (if Jon Beige is in the building, there is always coffee brewing) and join in the conversation! Monday nights are also the night when we have Family Service Nights, these are service minded events for all ages often held at an off the premises location. These have been amazing learning events! Check out the next one coming up in March!

Currently we have 2 Adult Bible Studies underway! It is never too late to jump in! Wednesday we meet in person at Unionville following Choir Practice or you can join in virtually from the comfort of your home, we are using a study called Discipler. Thursday evenings we meet at the Alexander Home for an in-depth study on 1 John.

We are currently making plans for Vacation Bible School which promises to be Stellar!! We can't wait for the decorating to begin!! We had 64 children and youth under our roof throughout the week last summer and we hope to build on that this year! What an exciting time!!

We have all these opportunities to Learn and Grow Together with Jesus! I pray you'll plug your family in to one or more of these. Statistics have their place but mean nothing if we are not growing in our faith and love for Jesus!

CONFIRMATION CLASS*Pastor Alan***2023 Confirmation Class for Youth**

Confirmation Class will be offered from March 5th through May 14th during Sunday School using the “*God and Church*” curriculum. On May 21st, we will celebrate Youth Sunday and Confirmation Sunday receiving those youth that have completed the class and decided they are ready to take the membership vows for themselves. Parents, your youth will get the most out of this program if you partner with them at home to complete some of their requirements.

The “*God and Church*” program is officially recognized by Scouts BSA, Camp Fire USA, Girl Scouts of the USA, and the American Heritage Girls as the religious awards program for youth in 6th – 8th grades. Youth participants in those grades who are a part of any of these programs will also be awarded the appropriate religious emblem.

As a part of this class, you will:

Learn the history of our congregation.

Explore what worship means, how a worship service is prepared, and how to participate in worship.

Learn the ways our church ministers and witnesses to others.

Read the Bible every day for 3 weeks.

Take part in a service project for the church and community.

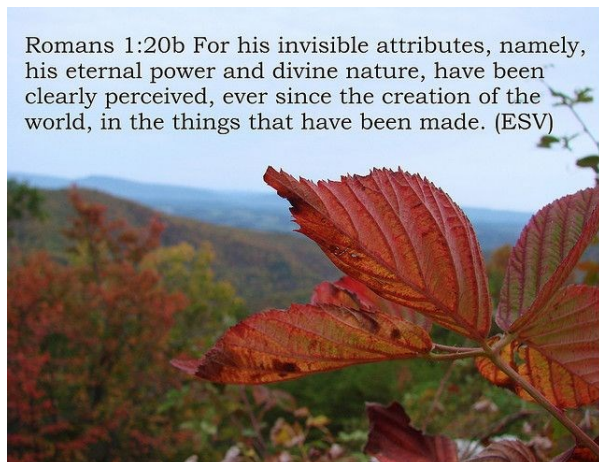

And some other activities as well.

If you miss a session, you will be given the class handouts to use with your workbook for that session with one of your parents. Then you will review your work with Pastor Alan.

Contact the office to sign up today to make sure we have enough workbooks to include you.

YOUTH GROUP*Wendy Kline*

Youth group has reconvened but have actually only had one lesson. It is hard to believe it is February already. There hasn't been snow for the kids to play in, which I know disappoints them. In all honesty, it disappoints me as well. I love watching the kids fly down our back hill on sleds, building a snowman, and throwing snowballs at the dogs and each other. What do you love about the snow? The beauty of fresh fallen snow? The brightness it brings when the sun reflects off of the white, glistening snow? God's creations never cease to amaze me.

Romans 1:20b For his invisible attributes, namely, his eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made. (ESV)

The youth will be doing a few escape rooms in the upcoming weeks. One of them being on the miracles of Jesus. I hope the youth read this

article.....Hint! Hint! Hint!

Blessings to you all!!!

KIDS CLUB

Tiffani Keil

Hope my Kids Club families are staying warm!

February 6th The kids will test their balance as they learn to not let fear stop them from obeying God. Lesson 3 of Extreme Faith In God takes us windsurfing. Keep your hand on the sail and pay attention to the wind because if you falter at all you may end up in the water. Deborah gave instructions to Barak on behalf of God, Barak faltered. God still gave his army victory, but the honor did not go to Barak. Judges 4:4-10, 4:14-24.

February 13th The kids will learn they can conquer any challenge with God leading them. Bungee jumping is like taking a leap of faith. The hardest part of bungee jumping is taking that step off solid ground. But for those who do, they experience an exciting thrill. When all of Israel's army was afraid to step out and face Goliath, only David had the courage to make that jump. David never lost faith that God would give him the thrill of victory. Samuel 17:8-50

February 20th we will not be meeting due to no school for President's Day.

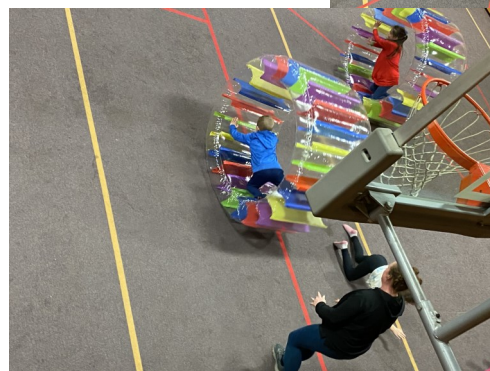

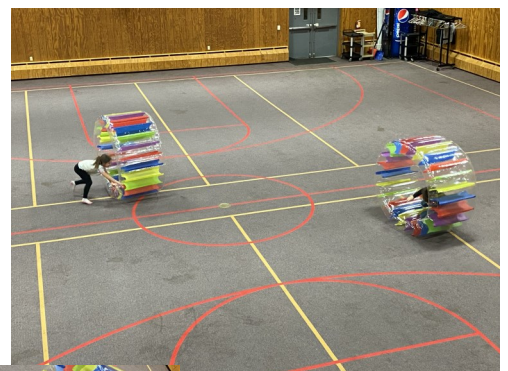

February 27th The kids will crawl their way through the story of Jacob and learn to choose truth and obedience over lies and disobedience while learning about spelunking. Spelunking is the exploration of caves. It requires you to travel through the dark, into some very tight and often dangerous spaces. Jacob was used to getting himself into some tight spots. His behavior was often deceitful and wrong. One time Jacob disguised himself as his brother Esau in order to receive a blessing that rightfully belonged to his brother. Much later in life however, Jacob came out of the darkness of deceit to be used by God. Genesis 27:1-44.

“Work at everything you do with all your heart. Work as if you were working for the Lord, not for human masters.” Colossians 3:23

The Kids at a recent Kids' Club had an amazing Extreme Sport Adventure!

Check out our Website or Facebook page for more photos!

PRAYER MINISTRY

Father, lead us, show us your will for our children and youth at Unionville in the ways that we minister to them and their faith. We lift up our teachers and volunteers and our adult students, lead us Lord. Show us your ways, show us where we need to be and add to all of our numbers Lord according to your calling. All of our yesterdays have prepared us for this day, place upon our hearts and our minds your vision here at Unionville and beyond our doors. Help us to remember Lord, that you have been beside us all along, preparing us. Grant us discernment to hear your voice and heed your call on our lives. In Jesus name, Amen.

We will highlight Miss Tonya at a later date in recognition and thanksgiving for all the years that she has served our Youth here in Unionville. For now, let me just announce that Tonya Mohrbacher is serving in her last year as a Youth Leader. She will be sorely missed.

If you have felt a calling towards our children and youth, know that there are many opportunities to serve in many different capacities. Please see Pastor Alan or Linda Miller to volunteer your time. Sometimes God's call nudges us for a long time, other times it's quick and seems to come out of nowhere, all the time God is preparing you and providing for you. You will never regret saying "Yes".

UUMC JOYFUL RINGERS

The ringers will be gearing up for another performance and will practice on April 30th following Sunday School. All Unionville Kids and Youth 4th grade and above are welcome to join in the fun! Come! Learn a new skill and show off your musical talent! More information to come, but in the meantime if you want to join the group, please contact Elizabeth Deal.

FAMILY SERVICE NIGHT

Wendy Kline

On Monday Jan 23rd we had another successful Family Service Night at the Phoenix drop-in center for mental health in Rochester. Thank you to all the kids, youth, and adults that were there to serve a local community service center. I received this email from the director of the center the day after we were there.

Hi Wendy,

I am so impressed with your youth and family group. What great families and youth you have. It was so nice to see the adults showing by example the importance of serving.

**Thank you,
Joanne**

Our adults continue to be the hands and feet of Jesus therefore showing our future how to be the same. It always amazes me how ambitious these kids are to get a job done, no matter what the job is. It touches my heart in a way these kids can't understand at this point. But with God's help, they will eventually experience the same feelings I, as well as all of you, feel every time we have a service event.

Dear God,

Thank you for sending us your only Son. Thank you for showing us how to love others even if we never met them. Thank you for giving us the heart to serve others. Thank you for this church family that supports all the ministries of Unionville so we may be the hands and feet of Jesus. In your precious name we pray. AMEN

The Ladle and the Hearth

Located in the basement of St. John's Lutheran Church
1320 Church Street, Old Economy, Ambridge

Several UUMC church friends have asked where I find a variety of new places to host our Family Service Nights. That answer is very simple: God finds them! This Family Service Night will be the 8th UUMC has sponsored in the past two years. Each time, God provides the needs, the workers, and the bounty. If you haven't joined a Family Service Night yet, please consider joining us! Like on any mission trip, your heart will be touched in a fresh new way that leaves a lasting feeling of hope, peace, love, and joy. If you support Family Service Nights by prayers, donations, or any other way know that God blesses your impact in mighty ways! Together, we are the Church.

Throughout the month of February, we will be collecting packages of socks to donate at The Ladle and the Hearth. All sizes of men, women, and children's socks will be set out at the donation table. Visitors to the soup pantry gratefully visit a particular table that is set out each Monday night with essentials. Toilet paper and hygiene supplies are often there, but we are going to surprise them with packages of new, warm socks! A box will be near the sanctuary doors all month of February to collect.

GOAL - 100 packages of socks

Thank You 

An anonymous UUMC couple has offered to generously donate the entire catered meal that will be provided on this night! Typically, Monday night attendance ranges from 75-80 individuals needing a hot meal, warm fellowship, and safe refuge from the storms of life.

GOOD NEWS CLUB

Wendy Kline

As many of you know, I lead Good News Club at Freedom Elementary School. Ad Council approved a donation for me to use to purchase Good News Club t-shirts for the kids to wear during club meetings. We have been blessed by other churches as well as they have provided snacks, water, and treat bags for the kids. Our community is so wonderful in how we all work together for the love of Christ. I have placed a school bus bank in the Narthex for donations for CEF. These funds are for the summer camps they host at Prayer Mountain in Darlington. CEF provides school buses to pick up students at the schools that host GNC. The whole week is free and camp days are 6 hours long.

There are 2 other ways to help support this organization that spreads the word of God all across Beaver County. One is going to dinner at Applebee's in Monaca or Chippewa. Applebee's is donating 15% of your bill to CEF (flyers to turn in are also in the Narthex). The final way is to participate in their 3rd annual walk-a-thon hosted at Brady's Run Park. It is a wonderful day with bounce houses, music, games, and fellowship. They are also looking for raffle basket donations, if anyone would like to donate a basket please let me know.

Wendy

PINEWOOD DERBY

On January 28th we had the privilege here at Unionville to host Pack 444's Pinewood Derby, a privilege we have held for a number of years! If you've never been to a Pinewood Derby, you need to stop in next year and take a look for yourself! The scouts build their cars from a block of wood and they were all amazing!! As I looked around the room I saw many connections from our church, parents, siblings, grandparents, aunts, uncles and cousins all cheering on their favorite scouts! Here are just a few photos:
